Visit various different environments

Basic tour price per person.
Please enquire for current cost

Tour includes,
Two nights accommodation, All meals, Entrance fees, Bird Guide, Bird List, Transport

Sample Itinerary

Day 1 : Cairns to George Town.

As we travel we will be birding. Along the way we pass one of the best high altitude birding sites for the stunning Golden Bowerbird and this will be just one of the places we stop. We will get our first chance of Emu when we get over the Divide past Mt Surprise where we will start looking for the typical outback birds.

Day 2 : Birding at Georgetown area

We will be birding the Georgetown area visiting dams which are well known for the birds which are drawn in to drink at some of the few locally available water sources. Specialities include Australian Bustard, Budgerigar, Cockatiel, Spinifex Pigeon, Black-throated Finch, and Red-browed Pardalote.

Day 3: Georgetown to Cairns.

After spending the early morning birding the Georgetown area we will head back to Cairns arriving mid afternoon. Once again we will be birding en route.

This tour can be customised. Contact us to set up start times and pickup points or to enquire about other possible destinations.
